# Commercial Connectivity, Docks & Adapters

Thunderbolt 4 / USB-C Multi-Display Docking Stations, Certified 40Gbps Cables & Power Kits.

| DOCUMENT ID | PUBLICATION DATE | CLASSIFICATION | REGION |
|---|---|---|---|
| **DS-SIMAL-ACC-2026** | **November 2026** | **Authorized Public** | **UAE & GCC** |

## Executive Summary

Universal enterprise workstation docks designed for multi-vendor laptop fleets (Dell, Lenovo, HP, Apple). Delivers quad-display outputs, gigabit networking, legacy USB peripheral aggregation, and smart remote firmware management over corporate networks.

> **Key Insight:** Consolidates up to 14 workstation cables into a single high-durability braided USB-C connection with 100W dynamic host charging.

## Docking & Connectivity Product Line
